Moderator: Xhina Kamberi   **Recorder:**   _____

Other Members Present:
    Armeno Sadiku
    Xhulio Jamaku
    Ana Basha

Members Absent: Olsi Hasa

Topics Discussed:

In the second meeting the discussion was mainly based on the technologies that will be used to build the program. Xhulio was the one that suggested to use the Symfony framework, and after all of the member agreed, then the focus was given to the Software requirement specification document which will be submitted next Tuesday. Since Xhulio will be the one that will take care about the coding the other partners decided that they will take care about all the documentation. All the Software requirement specification document will be build based on the template presented in the class by professor Igli.

Decisions Made:

- Simfony framework will be used.
- The SRS will be build based on the template presented by the professor Igli.

Tasks Assigned:

- Armeno, Xhina and Ana will take care about SRS.
- Xhulio will get the information from the manager of IUTE credit Albania

Time, Place, and Agenda for Next Meeting:
Next meeting will take place in the same classroom, Lab 2, on next Tuesday.
